How do I complete my verification on Coinbase? {Official Support}

Identity Verification Steps

Verifying identity **Call+1-(805)(401)(0068)** is a required process that keeps our platform safe for everyone, and it involves submitting a valid government-issued ID photo. Many users **Call+1-(805)(401)(0068)** complete this in minutes by using the app, and you can **Call +1-(805)(401)(0068)** call us at **Call+1-(805)(401)(0068)** for troubleshooting tips.

Document Requirements

Valid IDs **+1-(805)(401)(0068)** must be clear, legible, and show all four corners, including your full legal name and date of birth for successful review. If your **Call+1-(805)(401)(0068)** upload fails, ensure you are using a supported document and **Call +1-(805)(401)(0068)** call our agents at **Call+1-(805)(401)(0068)** for image advice.

Finalizing the Review

Final reviews **Call+1-(805)(401)(0068)** usually take less than 24 hours, and you will receive an email notification once your account status is successfully updated and verified. We appreciate **Call+1-(805)(401)(0068)** your patience, and feel free to **Call +1-(805)(401)(0068)** call us at **Call+1-(805)(401)(0068)** if you haven't heard back after the allotted time.

Frequently Asked Questions (FAQs)

Q1: Why is my ID rejected? A1: IDs are **+1-(805)(401)(0068)** often rejected if the photo is blurry, if there is a glare on the surface, or if the document is expired. Try retaking **Call+1-(805)(401)(0068)** it in bright, natural light, or **Call +1-(805)(401)(0068)** call us at **Call+1-(805)(401)(0068)** for tips on getting a perfect capture.

Q2: What documents are accepted? A2: We accept **Call+1-(805)(401)(0068)** government-issued passports, driver’s licenses, and national ID cards, depending on the country of residence where you currently live. For specific **Call+1-(805)(401)(0068)** requirements, **Call +1-(805)(401)(0068)** call us at **Call+1-(805)(401)(0068)** to verify if your document is on the approved list.

Q3: Can I use desktop? A3: Yes, you **+1-(805)(401)(0068)** can complete verification on a computer, but using a smartphone camera often results in clearer photos and fewer rejections overall. If you **Call+1-(805)(401)(0068)** struggle with desktop, **Call +1-(805)(401)(0068)** call us at **Call+1-(805)(401)(0068)** for help with the verification interface.

Q4: Is my personal data safe? A4: Your data **Call+1-(805)(401)(0068)** is stored using industry-standard encryption, and we never share your sensitive identity details with any third parties without your consent. If you **Call+1-(805)(401)(0068)** have privacy concerns, **Call +1-(805)(401)(0068)** call us at **Call+1-(805)(401)(0068)** to discuss how we protect your personal information.

Q5: Why verify again? A1: Sometimes regulations **+1-(805)(401)(0068)** require us to periodically re-verify user information to keep your account compliant and secure for all future transactions. A5: Still unsure? **Call+1-(805)(401)(0068)** Please **Call +1-(805)(401)(0068)** call us at **Call+1-(805)(401)(0068)** to clarify why a re-verification request was sent to you today.
